### OAMPS Insurance Brokers acquires Keith Johnson & Co Ltd in the UK

14 September 2007

OAMPS Insurance Brokers Chief Executive Officer, Peter Blackmore, today announced the acquisition of UK broker Keith Johnson & Co Ltd (KJ).

"We are delighted to welcome the staff of KJ to OAMPS. They are a successful local insurance broker handling a broad range of commercial and personal lines business. With operations in Surrey, KJ have been serving their local area for more than 20 years. The business compliments the current OAMPS UK operations" said Blackmore.

"The acquisition increases the scale of our Surrey based operations and is a step towards the continued growth of our insurance broking operations in the UK. The purchase demonstrates Wesfarmers commitment to growing the broking business following its acquisition of OAMPS and Crombie Lockwood last year." added Mr Blackmore.

Keith Johnson, the principal of KJ said "When I decided to sell my business I was approached by several interested parties, in my view the OAMPS offer was the best for me, my staff and my customers. I look forward to working with the OAMPS team and helping grow the business".
